Doug Von Gausig
Mayor
Town of Clarkdale
PO Box 308
39 N Ninth St
Clarkdale, AZ 86324

Dear Mr. Mayor:

It is with great pleasure that I write to you in support of your efforts in planning and creating the Clarkdale Sustainability Park.

More specifically, I am committed to work with current and future staff to 1) define educational roles for the Park; 2) assist in other Park planning efforts, particularly when looking at economic development issues; 3) continue serving as one potential contact point for the larger University of Arizona community; and 4) help facilitate the formation of a statewide higher education oversight group, if desired.

I look forward to working with you and other partners over the coming years in order to advance the sustainability efforts of Clarkdale and the entire Verde Valley.

Sincerely,

Erik Glenn
Area Assistant Agent, Community Resource Development
Director, Arizona Economic Development Course
Project Manager, Regional Center for Sustainable Economic Development
