The Honorable Doug Von Gausig
Mayor Town of Clarkdale
P. O. Box 308
Clarkdale, AZ 86324

Dear Mayor Von Gausig:

We fully endorse the Town of Clarkdale's plan for a sustainability park. It will make sustainable energy and environmental stewardship a community function instead of an individual responsibility.

The Clarkdale Sustainability Park will bring our region a path that enhances the quality and richness of our lives, while improving the health of our environment. The park will have the same impact as if every household in Clarkdale were equipped with solar electricity, compact fluorescent lights, and each garage had a hybrid vehicle in it.

We are convinced that anyone introduced to the Clarkdale Sustainability Park vision will see the significance of this project not just to Clarkdale, but the region and Arizona. It is new and exciting, and the rewards for success are enormous.

If you need any other information, please contact me at (928) 639-8110.

Best regards,
